Greetings

Welcome to Hannah's Hands, where service meets luxury. We specialize in crafting bespoke corporate events that inspire, engage, and leave lasting impressions. With a foundation built on excellence and innovation, our team transforms visions into remarkable realities, delivering unparalleled service and meticulous attention to detail.

About Our Company

Since our inception, Hannah's Hands has been synonymous with exceptional event planning and execution. Our journey began with pro bono projects, where we honed our craft and built a reputation for excellence. Today, with over eight years of experience, we are proud to have partnered with organizations across industries to deliver events that exceed expectations.

What We Do

We specialize in creating unique and memorable experiences through:

- Corporate conferences and seminars
- Product launches
- Gala dinners and award ceremonies
- Networking events
- Team-building retreats
- Executive meetings and workshops

About our plan

Our Vision

To be the premier corporate event planning company that bridges the gap between our clients' ambitions and exceptional event experiences, creating transformative moments that inspire and connect people worldwide.

Our Mission

To relieve our clients of event planning stress by delivering meticulously designed and flawlessly executed events that leave a lasting impression on their guests.

Our Values

Our company values are founded upon six core pillars that define our identity and guide our operations:

- Excellence: Delivering nothing short of perfection in every event we handle.
- Integrity: Building trust through transparency and honesty in all our interactions.
- Creativity: Crafting unique and innovative experiences tailored to our clients' needs.
- Client-Centricity: Putting our clients at the heart of every decision we make.
- Collaboration: Working hand-in-hand with clients, vendors, and teams to achieve outstanding results.
- Luxury: Every planning detail reflects sophistication, excellence, and exclusivity

The Team

Our service is customer-centric and heavy on vendor collaborations. Our founder and chief planner onboards the client's vision and collaborates with the right vendors to bring your vision to life.

Everything about the quality of VLC UK screamed "perfection." Even my gifts were thoughtful, and I truly love them! ❤️

Hello, darling sister.

Once again, I want to congratulate you on your effective leadership and amazing stewardship to purpose demonstrated through your brilliant organising of the VLC UK.

May the incoming year multiply you in outstanding dimensions like you've never experienced before.

Amen.
